Relaxation in norms of BPL in hilly areas

†568. SHRI SAMAN PATHAK: Will the Minister of CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION be pleased to state:

(a) the details of number of BPL families in 2006-07, State-wise;

(b) whether Government is reconsidering norms of BPL;

(c) whether Government is aware of the fact that the norm set by Central Government is not practicable in many areas, especially hilly areas;

(d) if so, what step is being taken by Government in this regard; and

(e) whether Government is thinking of giving relaxation in norms of BPL in hilly areas?

THE MINISTER OF STATE IN THE MINISTRY OF CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION (DR. AKHILESH PRASAD SINGH): (a) As per the poverty estimate of Planning Commission for 2004-05 projected on population estimate of Registrar General of India as on October, 2006, there are 571 lakh BPL families (including 242 lakhs AAY families). State/UT-wise details of BPL households is enclosed as Statement (*See* below).

(b) No, Sir.

(c) to (e) Department of Food and Public Distribution does not fix norms for identification of BPL families. These norms are fixed by Ministry of Rural Development for rural areas and Ministry of Urban Development for urban areas in consultation with Planning Commission.

Statement

State/UT-wise details of BPL households

Review of Wheat Import Policy

569. SHRI RAMDAS AGARWAL: Will the Minister of CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION be pleased to state:

(a) whether country is facing shortage in production/supply of wheat/rice and importing at present;

(b) whether Government has, so far, floated any tender to import wheat/rice;

(c) if so, what quantity and at what price per quintal of wheat/rice was imported during the last two years, till date, countrywise; and

(d) whether India being the second largest country in the world for wheat production, Government proposes to review its "wheat import policy" now?

THE MINISTER OF STATE IN THE MINISTRY OF CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION (DR. AKHILESH PRASAD SINGH): (a) As per the Fourth Advance estimates released by the Department of Agriculture and Cooperation, production of wheat in crop year 2006-07 (to be marketed in 2007-08) was 74.89 million tonnes which is adequate to meet the estimated demand of 71.19 million tonnes in the country in 2007-08. The production of rice in 2007-08 is 92.7 million tonnes which is adequate to meet the estimated demand of 90.91 million tonnes. However, in order to build up adequate buffer stocks in the Central Pool for ensuring food security of the country, decision to import wheat has been taken.
